

REPORT ON THE WP2 ACTIVITIES

Period: January 2014 - March 2015

REPORT ON PROMOTIONAL ACTIVITIES RELATED TO INTERNATIONALIZATION AT THE UNIVERSITY OF NIS

Within the first year of the project FUSE, there were a lot of promotional activities related to internationalization and mobility issues at the University of Nis.

A round table on internationalization as one of aspects of university improvement was held on 26th February, 2014. The topics included:

- Measures and indicators of HE internationalization quality – guidelines for internationalization strategy of University of Nis
- Some activities for the enhancement of the university capacity for more efficient participation in the international cooperation
- Multidisciplinary research as a contribution to creation of common European area for research and innovation
- Possibilities and perspectives for students and staff mobility.

The presentations were followed by the fruitful discussion and conclusions.

A promotion tour (December 2014 - February 2015)

Immediately after the calls for application for Erasmus Mundus Action 2 mobility were opened, a team consisting of Prof. Dr. Zoran Nikolić, vice rector, Prof. Dr. Vera Marković, Erasmus Mundus Institutional Coordinator and Jelena Čivljak, University International Relations Officer of the University of Niš, did a promotion tour on international mobility at all 13 Faculties of the University of Niš. With the help of the newly elected ERASMUS MUNDUS and ERASMUS+ academic and administrative coordinators at the Faculties of the University of Niš, all students and staff members of the faculties were informed about

the promotions on time. The faculties put the information on their web sites, they exhibited the posters and fliers on the faculty boards. Also, all deans and vice deans, as well as, students' organizations helped with the promotion. Each presentation included an introduction part, where the importance and principles of mobility programs of European Commission were presented, and benefits of mobilities were explained in detail. Then each mobility project was presented separately. Approximately there were 30-35 students per promotion.

Meeting with academic and administrative coordinators

On January 16, 2015, the vice rector for International Relations of the University of Niš, Prof. Dr. Vesna Lopičić, Prof. Vera Marković, Jelena Čivljak and Zlatana Pavlović from the International Relations Office of the University of Niš, held a meeting with the newly promoted ERASMUS MUNDUS and ERASMUS+ academic and administrative coordinators of the Faculties of the University of Niš. Also, the representatives of the newly established student network office in Niš, IESN (International Erasmus

Student Network), were present at the meeting. They introduced themselves and offered help concerning the exchange students, both incoming and outgoing.
